How it works

Orders placed by 2 PM (CST) ship the following day.

Orders placed after 2 PM (CST) are shipped the 2nd following day.

All gravity roller conveyor sections are shipped assembled.

Heavy duty conveyor sections are set high only.

Final routing will be determined by Roach Conveyors.

All weights listed in Roach catalogs do not include crating.

Offer void if shipment delayed by labor disputes or natural disasters such as fire, flood, tornado or earthquake.
